Costa del Sol, Cancelada

Welcome to an exclusive new development in Cancelada, one of the most coveted locations on Estepona's prestigious New Golden Mile. This stylish residential complex consists of 57 contemporary 2- or 3-bedroom apartments, designed for those seeking comfort, elegance, and a Mediterranean lifestyle.

Whether you choose a ground-floor apartment with a private garden, a spacious home with a generous terrace, or a penthouse with panoramic views – every home offers a harmonious blend of indoor and outdoor living. Many of the apartments offer beautiful, unobstructed views of the mountains and, in most cases, even of the sparkling Mediterranean Sea.

The homes feature a private garage and storage unit and are built to the highest energy standards (double AA certification). Additionally, you will enjoy excellent communal facilities: a refreshing swimming pool, a fully equipped gym, an outdoor sports zone, and access to the exclusive Cancelada Club House featuring a spa, sauna, gym, and a cozy cafeteria. Cancelada is an established and popular destination, chosen annually by countless visitors staying in luxurious hotels such as the world-famous Kempinski Resort or Villa Padierna. Furthermore, the region is a paradise for golf enthusiasts, with top courses like Flamingos Golf, El Campanario Golf & Country House, and Atalaya Golf within easy reach. Horse lovers will also find plenty to enjoy here thanks to the nearby prestigious Escuela de Arte Ecuestre Costa del Sol.

With more than 320 days of sunshine per year, a quiet and safe environment, and an abundance of sports and leisure opportunities, this project in Cancelada offers a unique opportunity for a carefree life on the Costa del Sol – ideal as a primary residence, holiday home, or investment.
