Welcome to an era of unprecedented luxury and comfort. In the heart of the prestigious Cabopino Golf lies this exceptional new development, where timeless design, innovative technology and breathtaking surroundings come together to create a unique living experience. Inspired by the iconic atmosphere of Ibiza of yesteryear, this project exudes elegance and Mediterranean vibrancy.

Here you can enjoy panoramic views of the golf course and the Mediterranean Sea every day, while relaxing by the impressive infinity pool. The homes are equipped with advanced home automation that allows you to effortlessly control the light, climate and security. In addition, you have your own gym and a home cinema with state-of-the-art equipment – all designed to make your life even more enjoyable.

The location is a dream for those who want to combine the best of the Costa del Sol: just minutes from the golden sandy beaches, refined gastronomy, luxury boutiques and the atmospheric marina of Cabopino. Marbella's historic city centre is also nearby, as is Malaga airport.

The homes are designed with both aesthetics and functionality in mind. Think spacious private terraces for relaxation and socializing, natural materials combined with modern lines, and 24/7 surveillance with biometric access and perimeter security for total peace of mind.
