In the charming center of Benahavís, an exclusive new development is being built with 28 Mediterranean-style apartments. The homes, with a choice of 1, 2, or 3 bedrooms, combine traditional Andalusian charm with contemporary living comfort. Each apartment includes a private parking space in the underground garage, including pre-installation for electric vehicle charging, and access to a charming communal roof terrace with a swimming pool.

This stylish residence is designed for immediate occupancy, featuring high-quality finishes, modern interiors, and carefully selected materials. The location is truly unique: surrounded by the natural beauty of the Serranía de Ronda and the Guadalmina River, yet close to everything the region has to offer. Several renowned golf courses are within a five-minute drive, while San Pedro de Alcántara and the fashionable Puerto Banús are just fifteen minutes away.
