Costa del Sol, Mijas Costa

Discover this stunning new development, set on a hillside above Mijas Costa, with apartments and penthouses ranging from 1 to 3 bedrooms and spectacular views of the Mediterranean Sea.

The communal areas of this complex are second to none, offering plenty of space to relax, whether you're soaking up the sun or seeking shade in the lush gardens. There is a large swimming pool with beach access, surrounded by luxurious landscaped gardens that provide privacy and tranquillity. For families, there is a specially designed space for the youngest residents, so they too can fully enjoy their surroundings.

The apartments in this phase have been carefully designed to blend seamlessly into the surrounding landscape and maximise the stunning views of the Mediterranean Sea. Thanks to their elevated position above La Cala de Mijas, each home enjoys panoramic sea views. Each apartment has been built to the highest quality standards, with luxurious finishes and high-quality materials, ensuring that you can enjoy not only the views, but also the comfort and elegance of your new home.

This project offers the perfect mix of luxury, tranquillity and stunning views on the sunny Costa del Sol.
