Costa del Sol, Torremolinos

On the edge of the vast Pinar del Moro pine forest and with breathtaking views of the Mediterranean Sea, a new residential complex is emerging that seamlessly blends modern comfort with nature, tranquility, and accessibility. Just 5 minutes from the beach and 10 minutes from Málaga city center, this is the ideal location for those seeking a unique living experience in southern Spain.

The project consists of 104 stylish 2- or 3-bedroom apartments, each with a private parking space and storage unit. Whether you choose a ground-floor apartment surrounded by greenery or a penthouse with spacious panoramic terraces, you'll always live with views of the sun, sea, and nature.

The communal amenities elevate your living experience to a higher level: a heated indoor pool, a refreshing outdoor pool, a fully equipped gym with a spa, and a modern co-working space with a kitchenette – ideal for those who prefer a hybrid work environment or want to combine relaxation and productivity.

Torremolinos is a vibrant and cosmopolitan seaside resort that perfectly balances relaxation, culture, and accessibility. Its proximity to Málaga and its international airport makes it not only an ideal location for a second home but also a smart choice for those looking to live permanently in Spain, with excellent connections to the rest of Europe.

Experience the best of both worlds every day: waking up with a sea view, surrounded by tranquil nature – yet close to the city. Welcome home to Torremolinos.
