In the heart of La Quinta, within an exclusive and secure community with 24-hour security, lies a unique residential project that seamlessly combines luxury, tranquility, and nature. Perfectly positioned between the glistening Mediterranean Sea and the imposing La Concha mountain, you'll enjoy panoramic views that impress every day. The surrounding green spaces exude a deep sense of tranquility and create an environment where privacy and serenity are paramount.

This small-scale project comprises just three high-end villas, each with a unique design and built with the highest quality materials and refined finishes. The layout is spacious and thoughtful, featuring a luxurious master suite with a spacious walk-in closet and en-suite bathroom. You'll also find four carefully designed guest bedrooms, three elegant bathrooms, and an additional guest toilet.

For relaxation and entertainment, each villa features an inviting entertainment area with a bar and TV lounge, a private fitness room, and a wine cellar. Outside, you'll find a perfectly positioned outdoor kitchen, ideal for enjoying long summer evenings and spectacular sunsets while the barbecue is firing on all cylinders.

The location offers the best of both worlds: a peaceful, natural setting yet close to luxury boutiques, beautiful beaches, and world-renowned golf courses. Marbella and Puerto Banús are just a few minutes' drive away. For nature lovers, La Quinta also offers countless opportunities for hiking, trekking, and horseback riding – always with breathtaking views of the sea and mountains.
