Costa del Sol, Casares

Imagine a place where the days seem to pass more slowly, where the air is filled with tranquility, and where you can enjoy endless views of the sea and verdant golf courses from your terrace. Between the coveted coastal towns of Casares and Estepona, a unique residential project is emerging in the serene setting of Casares Golf, right next to the prestigious Finca Cortesín. Here you'll live in an idyllic retreat, far from the hustle and bustle, yet just minutes from beaches, marinas, golf courses, top-class gastronomy, and fast connections to Sotogrande, Gibraltar, and Marbella.

The architecture embraces nature with flowing lines, soft tones, and warm materials that create an atmosphere of elegance and harmony. Each apartment, from the spacious ground-floor apartments with elevated gardens to the exclusive penthouses with panoramic terraces, is designed to prioritize outdoor living. Generous windows bring in abundant natural light and ensure a seamless connection with the surroundings.

The layout of the homes emphasizes space, light, and flexibility. With three bedrooms that adapt to your lifestyle and living areas that invite relaxation, every detail is focused on comfort. The outdoor spaces are equally impressive: from the sun-drenched solariums and pool area to the modern fitness center and inspiring co-working space. Everything exudes tranquility and well-being, in a secure and gated community with 24-hour security.

The Casares Golf club, within the community, adds an extra dimension with a sea-view restaurant, live music, and events that give the neighborhood a warm and vibrant atmosphere. Living here is more than just a home—it's a way of life.

With Málaga just an hour's drive away, you also enjoy proximity to an international airport and a high-speed train that takes you to Madrid in less than three hours.
