This phenomenal, modern-style villa is situated in a peaceful, green setting with unobstructed views of the mountains and vineyards of Moraira. Designed by renowned architect Reme Giner, the project embodies exclusivity and innovation, combining contemporary technology and individual design to create a truly unique home.

Cleverly integrated into the rolling landscape, the villa is spread over two levels, ensuring maximum privacy. The upper floor houses the day area with a spacious living room, a charming kitchen, a guest toilet, and an impressive outdoor area. Here, both covered and open terraces and an elegant chill-out area invite you to relax beside the spectacular infinity pool.
