Discover this unique residential project where unique homes converge in a surprising and peaceful setting. Here, you can enjoy one of the nine exclusive homes, situated on a private plot where nature and tranquility take center stage. A place where everyday life transforms into a unique experience and every day feels like a new opportunity to enjoy.

The development consists of three detached villas in the southern part of the site and six semi-detached houses in the north. Each home has its own garden, separated from the communal areas by natural elements – ensuring both privacy and a sense of connection with the surroundings.

Inside, the home exudes tranquility and comfort. Large windows allow abundant natural light to flood in, creating a warm and inviting atmosphere. The living room, with soft tones, Mediterranean details, and natural materials, is the ideal place to relax and share precious moments with family and friends. The modern, functional kitchen adds a touch of freshness and style, inviting you to discover Mediterranean cuisine.

The homes are designed in a fresh, Mediterranean style and spread over two floors. They are the perfect retreat for those seeking a cozy yet vibrant living environment – a place where serenity and beauty blend in perfect harmony.
