Costa Blanca, Alfaz del Pi

Welcome to an exclusive new development in Alfaz del Pi, a charming town on the Costa Blanca where Mediterranean nature, comfort, and modern living converge. This residential complex comprises 123 elegant apartments designed with space, light, and well-being in mind. With generous layouts, large windows, and sunny terraces, you can enjoy a unique Mediterranean lifestyle all year round. Just four kilometers from the beaches of El Albir and Altea, this is the perfect place for those seeking tranquility yet still wanting to live close to the vibrant coast.

The apartments range from one to three bedrooms and combine open-plan living spaces with high-quality finishes. Thanks to large windows, the interiors are bathed in natural light, seamlessly blending indoors and outdoors. For those seeking added luxury, there are options to add a private swimming pool or jacuzzi on the ground floor or solarium. All homes also include a private parking space, both underground and above ground.

The complex is fully enclosed, offering a safe and serene living environment. Residents have access to beautifully landscaped gardens and two spacious swimming pools with beach access, while a concierge service and modern elevators enhance the living experience. The apartments are equipped with stylish kitchens, electric shutters, double glazing, and fully installed air conditioning, combining quality and convenience.

Alfaz del Pi is renowned for its excellent amenities and sports facilities. Just one and a half kilometers from the town center, shops, restaurants, and daily amenities are within easy reach. The Alfaz del Sol Sports Club is within walking distance and offers tennis, paddle tennis, fitness, and a vibrant community. Nature lovers can relax in the Serra Gelada Natural Park or on the nearby Puig Campana mountain, while golfers can choose from several renowned courses in the area. With Alicante International Airport just 60 kilometers away, accessibility is also optimal.

This is a unique opportunity to own a modern apartment in one of the Costa Blanca's most desirable locations. Whether it's a permanent home, a second home, or an investment, here you'll experience the perfect balance of luxury, nature, and the Mediterranean lifestyle.
