## Costa Blanca, Villajoyosa

Welcome to this modern and serene seaside residential complex, ideally located between Villajoyosa and Benidorm. Just steps from the beach, you'll be surrounded by Mediterranean nature and enjoy peace, comfort, and elegance. Thanks to its excellent location, Alicante, the international airport, and the main coastal towns are easily accessible. Everything you need—from shops to restaurants and leisure facilities—is within easy reach, in a safe and well-maintained environment.

The newly built apartments, duplexes, and penthouses are located directly on the beach and are distinguished by their refined design and high-quality finishes. Built with top-quality materials, the homes feature thermal insulation, aérothermal climate control, air conditioning, and fully equipped kitchens and bathrooms. The spacious terraces offer breathtaking views of the Mediterranean, making outdoor living an extension of your home.

The architecture of this project is contemporary and elegant, with white buildings of only six stories that blend harmoniously into the green landscape. Lush gardens with walking paths stretch between the buildings, perfect for enjoying the tranquility and natural beauty of the surroundings.

The resort also offers an impressive range of facilities: a large communal swimming pool, a modern fitness center, a wellness area with a spa, and an exclusive rooftop lounge with an infinity pool and panoramic sea views. Here, luxury and relaxation naturally blend.

Whether you choose a stylish apartment, a duplex, or a penthouse, all properties boast sea views and spacious outdoor areas that invite you to fully experience Mediterranean life. From your home, you can walk directly to the beach via a beautiful nature trail, and live surrounded by light, sea, and nature – every day.
