Discover three exclusive villas that together form a refined private collection in Lomas del Virrey, located on Marbella's prestigious Golden Mile. Developed by a luxury agency, this project perfectly harmonizes modern architecture, natural elegance, and ultimate comfort.

The location is unparalleled: between Marbella's vibrant city center and fashionable Puerto Banús, with the Mediterranean Sea on one side and the imposing Sierra Blanca on the other. The Golden Mile is synonymous with luxury –from iconic beachfront villas and top hotels to gourmet restaurants and exclusive designer boutiques.

Each villa boasts five bedrooms and five bathrooms, with a total living area of over 600 m² where space, light, and refinement take center stage. The flowing layout creates a sense of openness, while large windows offer panoramic views and invite Mediterranean light to fill every room.

The outdoor spaces are designed to enjoy every moment of the day – from sunny mornings by the pool to cozy evenings in the jacuzzi or on the terrace. The saltwater pools and spas provide relaxation with minimal maintenance, while the meticulously landscaped gardens guarantee privacy and tranquility.

Indoors, underfloor heating and energy-efficient heat pumps ensure a pleasant indoor climate year-round. UV-filtering windows regulate natural light and temperature, while the advanced home automation system seamlessly manages lighting, climate, and sound.
