Costa Blanca, Altea

This project boasts an exceptional location, right on the seafront in charming Altea – one of the most desirable coastal towns on the Costa Blanca. This exclusive development offers the perfect balance between relaxed living and a valuable investment, with everything you need within easy reach: beaches, restaurants, shops, and Altea's picturesque old town.

The project comprises just twenty stylish homes, designed with comfort, light, and modern elegance in mind. There are sixteen spacious two-bedroom apartments and four one-bedroom penthouses, each featuring large windows and terraces overlooking the Mediterranean Sea.

In addition, this project includes two commercial spaces, offering additional opportunities for those seeking a return-on-investment in a prime location.

Here you live where the sea, light, and the Mediterranean lifestyle converge – a place where every day feels like a holiday.
