Discover this sophisticated new development in the heart of Calpe, where contemporary design, comfort, and a Mediterranean lifestyle converge. This exclusive residential complex of 48 stylish apartments is designed to offer an exceptional living experience, just minutes from the sea. Here you can enjoy peace, space, and sun, with everything you need within easy reach.

The location is truly ideal: just 400 meters from the popular Levante beach and 100 meters from the impressive Las Salinas de Calpe nature reserve. The area offers a perfect balance between coastal living and nature, with supermarkets, restaurants, and leisure facilities within walking distance. This is living in a place where the energy of the sea blends with the serene beauty of the surroundings.

This project stands out for its spacious layout and abundance of light. The project occupies a plot of over 5,000 square meters, of which more than 3,000 square meters are dedicated to sunny communal areas and green gardens. The low building density creates a sense of exclusivity and openness rarely found in Calpe.

The communal areas are designed for relaxation, health, and enjoyment, within a fully enclosed residential complex that guarantees security and privacy. Think of swimming pools for adults and children, a modern gym, a paddle court, a yoga room, an outdoor fitness area, and play areas for children. Cyclists will find dedicated parking, and the lush gardens exude an atmosphere of peace and well-being.

This project offers everything that makes Mediterranean life so special: sun, sea, nature, and elegant living in harmony. A unique opportunity to enjoy modern comforts in one of the most sought-after coastal towns on the Costa Blanca.
