Costa Blanca, Calpe

In the heart of Calpe, on the coast and beneath the imposing presence of the Peñón de Ifach, a residential project is emerging that elevates well-being and exclusivity to a new level. Here, contemporary architecture meets Mediterranean light, creating a unique lifestyle where design, comfort, and nature blend harmoniously.

The sleek and bright towers house apartments with clean lines and spacious terraces overlooking the sea, the lagoon, and the surrounding mountains of the Costa Blanca. Every detail of the homes has been designed to maximize every day: from the tranquility of the early morning to the enjoyment of sunsets that paint the horizon.

This project combines elegance, sustainability, and quality in every aspect. The complex features lush gardens, a swimming pool, a fully equipped gym, paddle tennis courts, and relaxation areas that invite you to socialize and enjoy yourself. For an active and healthy lifestyle, there are dedicated areas for calisthenics, yoga, and Pilates, a pool bar, children's playgrounds, and an exclusive kids' club, where fun and well-being go hand in hand.

This project is designed for those seeking more than just a home: it offers a complete, balanced experience, where architecture, landscape, and well-being converge in a life filled with luxury, tranquility, and Mediterranean beauty.
