Step into this exclusive designer development of luxury 2- to 4-bedroom homes in the heart of the New Golden Mile. This unique project combines the cosmopolitan energy of Marbella with the authentic Andalusian charm of Estepona, offering an intimate escape amidst lush nature.

The homes are designed with privacy, tranquility, and harmony in mind, featuring spacious terraces that seamlessly connect indoor and outdoor spaces and offer breathtaking views of the Mediterranean landscape. Every detail exudes modern elegance and sustainability, from high-quality finishes to advanced home automation, large neutral porcelain tiles, and luxurious bathrooms with smart LED mirrors and temperature-controlled showers.

This project offers a variety of home types: from garden apartments with serene views, cove apartments with terraces surrounded by lush gardens, apartments with panoramic wrap-around terraces, and spacious penthouses with solariums, outdoor kitchens, and private pools with sea views. Sustainability is key, with a rainwater harvesting system and eco-friendly landscaping. Residents enjoy exclusive amenities such as a wellness area with a sauna and steam bath, a co-working space, a concierge service, and a beautiful beach-style pool surrounded by Mediterranean gardens.
