Costa Blanca, Finestrat

This project is a beautiful new residential complex of modern three-bedroom homes, located in Balcón de Finestrat—a peaceful, well-maintained, and desirable area on the Costa Blanca, close to Benidorm and the Puig Campana golf course. It's a location where the Mediterranean lifestyle takes center stage: sun, sea, and green hills form a harmonious backdrop, while all amenities are easily accessible.

The homes are designed with a contemporary and functional layout that creates a sense of space and light. On the ground floor, the open-plan kitchen and living area flow seamlessly into one inviting space for gathering. Upstairs, the bedrooms and fully equipped bathrooms are carefully designed to ensure comfort and privacy for the whole family.

Large terraces extend the living space and offer the ideal place to relax, enjoy the Mediterranean climate, and admire the views of the surrounding greenery. The location is unbeatable: just a few minutes' drive away, you'll find the sandy beaches of Benidorm and Villajoyosa, the extensive La Marina shopping center, international schools, and all the daily amenities you need.

Residents will enjoy beautifully landscaped communal areas with a swimming pool and Mediterranean gardens, perfect for relaxing and enjoying the mild Costa Blanca climate. The homes include one or two private parking spaces on the plot.

Interiors, quality materials have been chosen to guarantee durability, efficiency, and comfort. The fully fitted kitchens are equipped with modern appliances, while the bathrooms are finished with elegant details such as a walk-in shower with screen, stylish vanity units, and high-quality faucets. Laminate flooring in the living areas and ceramic tiles in the bathrooms provide a fresh, modern look, while the terraces are fitted with non-slip tiles for added safety.
