

Mediterranean tranquility, modern allure: stylish new construction in La Nucía

594,000 - 664,000 €

Costa Blanca, La Nucía Reference: 29346  3  2  244m²  185m²  22m²

Costa Blanca, La Nucia

Discover these exclusive new Mediterranean-style homes in La Nucía, where timeless architecture and modern luxury seamlessly complement each other. This small-scale project comprises fourteen stylish homes, ideally located near La Nucía's main shopping center. Here, you'll live in an oasis of tranquility, with all amenities within easy reach and the vibrant coastal towns just a short distance away.

La Nucía is known for its high-quality living environment, excellent infrastructure, and proximity to Benidorm and Altea. Enjoy a relaxed Mediterranean lifestyle, with international schools, sports centers, hospitals, gastronomy, golf courses, and beautiful beaches nearby. The perfect combination of serenity and dynamism.

Each home sits on a private plot and offers a modern living experience with an open-plan living area that opens onto multiple terraces and the private pool. The basement level features a garage, laundry room, and additional storage space. Upstairs, you'll find three comfortable bedrooms and two elegantly finished bathrooms, including a master suite with an en-suite bathroom. The roof terrace is the icing on the cake: a wonderful place to relax with panoramic views of the surroundings.

The homes are finished with high-quality materials and equipped with modern technology for optimal comfort, such as aluminum windows with thermal breaks, a secure front door, a motorized garage door, and an efficient aerothermal system for climate control and hot water.

In La Nucía, luxury is all about balance: enjoying breakfast on your terrace, relaxing days at the beach or on the golf course, and atmospheric evenings in the best restaurants on the Costa Blanca. Thanks to their excellent accessibility and strategic location, these holiday homes are an ideal choice for permanent residence, as a second home, or as a stable investment.
