Costa del Sol, Mijas

Discover this brand-new and exclusive residential project on the Costa del Sol, designed for those who value comfort, space, and an abundance of natural light, nestled in a green and serene setting. The modern homes—ranging from one to three bedrooms—are distinguished by generous living areas, large windows, and high-quality finishes. Here, style and functionality harmoniously blend, giving each home a wonderful sense of tranquility and luxury.

The residential complex offers inviting communal areas dedicated to well-being and relaxation. Both indoors and outdoors, spaces have been created for relaxing, exercising, socializing, or simply enjoying the Mediterranean lifestyle. The sustainably landscaped gardens, planted with native vegetation, enhance the natural character of the residence and contribute to biodiversity and a healthy living environment.

The architecture follows a playful, stepped design that guarantees privacy while simultaneously offering stunning panoramic views of the golf course and the surrounding landscape. Thanks to this clever layout, the homes blend seamlessly into the natural surroundings, making optimal use of the land and the surrounding environment.

Safety and comfort are paramount. The residence features controlled main access for both pedestrians and vehicles, while its strategic location ensures easy access to major roads and quick access to all amenities. Underground parking spaces, conveniently distributed throughout the development, offer residents additional comfort and peace of mind.

Here you'll live in an elegant, sustainable, and peaceful estate that perfectly complements the Mediterranean lifestyle—an ideal place to enjoy sun, nature, and luxury year-round.
