Costa del Sol, Estepona

In the heart of El Campanario, located on Estepona's prestigious New Golden Mile, lies one of the Costa del Sol's most established and sought-after residential areas. This residential enclave is known for its tranquility, leafy lanes, and refined Mediterranean lifestyle. The flat streets, lined with palm trees and lush gardens, create a harmonious environment where privacy and proximity to the coast are perfectly balanced.

Thanks to its strategic location, you'll enjoy easy access to Marbella, Puerto Banús, and the center of Estepona, while living in a quiet, low-rise neighborhood close to all essential amenities. Golf enthusiasts will find themselves in a true paradise, with the renowned El Campanario Golf & Country Club at its heart, surrounded by prestigious courses such as Atalaya Golf & Country Club, El Paraíso Golf Club, and Real Club de Golf Guadalmina. Combined with international schools, beaches, gastronomy, and recreational opportunities, this location makes for an exceptional lifestyle destination, just fifteen minutes from Puerto Banús.

This project redefines Mediterranean living with a carefully designed ensemble of communal spaces that prioritize relaxation, connection, and well-being. The outdoor areas are conceived as a serene oasis with elegant gardens, water features, and fountains that blend seamlessly into the landscape. Palm trees frame the entire space, enhancing the atmosphere of tranquility and exclusivity.

Residents enjoy an exclusive Social Club with extensive wellness facilities. A fully equipped gym with an outdoor terrace for al fresco yoga, a luxurious spa with a jacuzzi, steam room, and sauna, and a heated indoor pool over 30 meters long create an environment where body and mind can fully unwind. Stylish coworking spaces and social gathering areas are also provided, where productivity and relaxation blend effortlessly in an atmosphere of Mediterranean elegance.

Each residence has been designed with attention to detail and refinement. Contemporary architecture and Mediterranean charm blend with high-quality finishes to create elegant, comfortable, and functional living spaces. The offerings include garden apartments with private gardens, first-floor apartments with spacious terraces, and exclusive penthouses with solariums. Several homes also feature a private swimming pool, adding an extra dimension of luxury and privacy.

The open-plan layouts create a fluid transition between indoor and outdoor spaces, while large floor-to-ceiling windows and generous floor tiles maximize natural light and enhance the connection with the surroundings. The kitchens, seamlessly integrated into the living space, are distinguished by their high-quality materials and refined appearance, perfect for both daily use and entertaining. The spacious terraces form a natural extension of the interior and invite you to enjoy the mild Mediterranean climate year-round.

Here, you're not just living in a prime location, you're choosing a lifestyle where comfort, design, and well-being converge in an exclusive and green setting on the Costa del Sol.
