Costa Blanca, Rafal

We present a new opportunity to live in a charming, colorful setting, just 20 minutes from the beautiful beaches of the Costa Blanca and 5 minutes from the historic center of Orihuela. Rafal is a lively village with a rich history in horticulture and a multicultural community, where modern amenities, cozy restaurants, shops, and the famous weekly markets make daily life special. The markets are known for their quality, freshness, and the typical Spanish atmosphere that invites you to meet and enjoy.

This exclusive project combines tranquility, space, and comfort with practical proximity. The detached, single-story villas are designed with an eye for light, privacy, and functionality. Each home offers panoramic views of the surrounding countryside and the village park, allowing you to enjoy a relaxed living environment while everything you need is within easy reach.

The villas are finished with high-quality materials and a stylish, modern look. Spacious windows and sliding doors provide plenty of natural light, while the carefully selected kitchens and bathrooms offer a sense of luxury and quality. Extras such as underfloor heating in the bathrooms and a pre-installed ducted air conditioning system complete the comfort.

Outside, each villa offers a private swimming pool with LED lighting, a spacious garden, 100 m² of tiled terraces, and motorized entrance gates, all designed to relax and enjoy the Mediterranean climate. The combination of elegant finishes, a practical layout, and the beautiful surroundings makes these villas a perfect place to live, vacation, or invest.

With only a limited number of plots available, this is a unique opportunity to acquire your dream home in the sun. Here you live in style, in a village full of life, but with the peace and privacy you expect from a modern villa.
