Costa del Sol, Malaga

Discover this beautiful residential project on the Costa del Sol, featuring a range of modern penthouses, apartments, and villas, all with breathtaking views of the sea and the surrounding mountains. These exclusive homes are equipped with luxury amenities such as underfloor heating, Italian designer kitchens, private swimming pools, and smart home automation systems. Residents enjoy a serene environment combined with the comfort of modern technology and high-end finishes.

The majestic residences in the picturesque mountains offer a unique opportunity to experience the quiet beauty of nature from sunrise to sunset, when the sun casts a golden glow over the coastal landscape. The kitchen cabinets feature luxury Italian furniture from the renowned brand Scavolini, specially designed for discerning clients. Underfloor heating is present throughout the property, except in the master bedrooms, which feature wooden floors for extra warmth and comfort. The windows are from the brand Cortizo CorVision, featuring double glazing and sun protection to optimize the indoor climate. The project also offers a range of amenities, including an outdoor gym, a clubhouse, a swimming pool, a coworking space, and a playground. Thanks to easy access to pristine beaches, charming villages, and vibrant city life, residents here enjoy the best of both worlds. Investing in this new development offers not only a luxurious lifestyle but also excellent growth opportunities and a stable return, making it a smart choice for the future.

Feel the tranquility and luxury of the Costa del Sol in this exclusive project, where comfort and style come together seamlessly.
