Costa Calida, Sucina

Discover these villas in Sucina, Murcia, an exclusive luxury project guaranteed to impress. This stylish residence consists of just 14 detached villas, each situated on spacious plots of at least 500 m², ensuring exceptional privacy, space, and tranquility. In the first phase, only 3 villas are available, a rare opportunity for those seeking something unique on the Costa Cálida.

The villas are designed in a modern, contemporary style and are entirely single-level, ensuring optimal living comfort and a seamless connection between all spaces. Each home features 3 spacious bedrooms and 3 fully finished bathrooms, executed with high-quality materials and an eye for detail.

The heart of the home is the open-plan living space with an integrated designer kitchen and a spacious living and dining room, where light and space take center stage. Large windows provide a direct connection to the outdoor environment and enhance the sense of freedom and luxury.

Outside, every villa becomes a true private paradise. Here, you will enjoy a private swimming pool with a beach-style zone and integrated Jacuzzi, a spacious sun terrace, and an atmospheric gazebo with seating and a view of the pool. Mediterranean outdoor living truly comes into its own here, all year round.

Additionally, each villa features a private parking space on the plot and meticulously landscaped outdoor areas that give the whole property extra appeal.

This project represents exclusive living in a tranquil, natural setting, where luxury, design, and quality of life come together in an exceptional residential concept.
