Costa del Sol, Estepona

We proudly present a new exclusive boutique project in one of the most sought-after regions of the Costa del Sol.

This stylish residence combines contemporary architecture, high-quality finishes, and an exceptional location a short distance from the sea, perfectly blending luxury living with the Mediterranean lifestyle.

The project consists of just 22 exclusive three-bedroom homes, carefully designed for those who value design, comfort, and quality. Thanks to the small-scale layout, you enjoy extra privacy, tranquility, and a refined living environment in the heart of Estepona.

The architecture exudes modern elegance, with clean lines, open living spaces, and large windows that provide an abundance of natural light. The homes feature generous terraces and inviting outdoor spaces where you can fully enjoy the sunny climate and the relaxed life on the Costa del Sol.

The finishing is also of an exceptionally high standard. High-quality materials, stylish details, and modern amenities ensure a luxurious living experience where comfort and functionality take center stage. The location is one of this project's greatest assets. Situated in Estepona, one of the most popular destinations on the Costa del Sol, beaches, restaurants, shops, and all daily amenities are close by. Furthermore, you benefit from excellent connections to Marbella, Puerto Banús, and Málaga Airport, making this residence perfectly suited as a permanent home, exclusive holiday retreat, or interesting investment.
