Costa del Sol, Benahavis

Discover this exceptional villa designed as a private sanctuary where architecture, landscape, and light flow into one another in a natural way. Here, living becomes an experience centered entirely on tranquility, space, and connection with the environment.

The living spaces are fully oriented towards outdoor living and open harmoniously to the landscape. Thanks to the large glass panels, panoramic views, fresh air, and natural light become an essential part of daily life. The result is a home that invites you to slow down, enjoy, and live in complete serenity.

The villa is situated on a generous plot of 2,006 m² and offers a total built area of 473 m², distributed over two floors. The home features four bedrooms, four bathrooms, and a guest toilet, with a layout that prioritizes comfort, privacy, and functionality.

The contemporary architecture is characterized by clean lines, pure forms, and perfectly balanced proportions. Inside, the living spaces—living room, dining room, and open kitchen—flow seamlessly into one another, creating a sense of space, light, and openness throughout the entire home.

The spacious terraces form a natural extension of the interior and allow you to enjoy Mediterranean outdoor living all year round. Large floor-to-ceiling windows let in abundant daylight and enhance the visual connection with the surroundings.

This villa offers a perfect balance between architecture and lifestyle: a bright, peaceful, and functional home where every detail is designed to fully enjoy space, comfort, and the Mediterranean climate.
