Discover this exceptional off-plan villa in the exclusive Monte Mayor in Benahavís, where modern architecture, privacy, and nature come together in a unique living experience on the Costa del Sol. This villa offers not only an impressive design and spectacular views but also the special opportunity to fully tailor the home to your personal lifestyle and wishes.

Together with the technical team, you will have the chance to help shape the architectural plans and personalize various elements of the home. Inside, a refined and relaxed atmosphere prevails, where contemporary design and living comfort blend harmoniously. The open living spaces are flooded with natural light thanks to the large windows that integrate the spectacular views into the interior. The living room, dining room, and designer kitchen together form an elegant living environment that is ideal for both daily life and stylish receptions.
