Costa Blanca, Pilar De La Horadada

Discover this exclusive new-build project featuring modern apartments at the prestigious Lo Romero Golf Resort in Pilar de la Horadada, on the southern Costa Blanca. This stylish residence is situated in a privileged location close to the golf course and combines contemporary architecture, open views, and a tranquil Mediterranean lifestyle amidst lush natural surroundings.

The project comprises elegant apartments with 3 bedrooms and 2 bathrooms, including a stylish en-suite bathroom. The homes were designed with a strong focus on comfort, natural light, and outdoor living. You have the choice of ground-floor apartments with spacious terraces at the front and rear, or upper-floor apartments with a private solarium and stunning panoramic views of the golf course and surrounding orange groves.

Thanks to the smart design, all homes benefit from a double orientation and excellent natural ventilation, ensuring bright and pleasant living spaces all year round. The open living and dining area connects harmoniously to the outdoor spaces, allowing you to fully enjoy the sunny climate of the Costa Blanca. The apartments are finished with high-quality materials and modern amenities, including a reinforced security door, pre-installation for ducted air conditioning, an aerothermal hot water system, and fully equipped bathrooms with furniture and shower enclosures. Furthermore, the ground-floor units feature electric shutters, while the upper-floor apartments have a private roof terrace with a shower and preparation for an outdoor kitchen.

The gated residence offers excellent communal facilities, including a swimming pool for adults and children, surrounded by beautifully landscaped gardens. Additionally, there is a children's playground, and each property includes an assigned outdoor parking space. The quiet and green surroundings make these apartments ideal as a permanent residence, holiday home, or interesting investment.

Lo Romero Golf Resort is one of the most attractive golf destinations on the Costa Blanca South and is known for its beautiful 18-hole golf course and relaxed atmosphere. Pilar de la Horadada offers all daily amenities such as supermarkets, restaurants, shops, sports facilities, and charming Spanish squares with an authentic Mediterranean charm. The beaches of Torre de la Horadada and Mil Palmeras are also nearby, offering crystal-clear water, charming promenades, and countless opportunities to enjoy the sun and sea.

A contemporary residential project where golf, nature, and Mediterranean quality of life come together perfectly on the Costa Blanca.
