Costa de la Luz, La Alcaidesa

Discover an exclusive residence entirely designed as a true sanctuary of well-being, tranquility, and Mediterranean quality of life. Here, relaxation, nature, and elegant living come together in a harmonious whole, where every day feels like a conscious choice for comfort and balance.

The project offers a carefully curated range of facilities focused on relaxation, health, and social life. Beautifully landscaped gardens, atmospheric outdoor pools, a modern gym, and elegant communal areas create an environment where you can enjoy daily life in peace, with complete privacy and a sense of exclusivity.

This residence is designed for both permanent residence and relaxed seaside stays, all year round. The spaces invite you to slow down, enjoy, and live according to the rhythm of the Mediterranean lifestyle, where indoor and outdoor living flow seamlessly into one another.

The holiday homes are smartly designed to make optimal use of light, space, and the surroundings. Spacious terraces, private gardens, and open living spaces create a seamless connection between indoors and outdoors, resulting in comfortable and functional homes that blend completely into their coastal surroundings.

Every home is a place to live, unwind, and share. The layout and finishes are focused on comfort, design, and functionality, creating a living experience that perfectly complements the natural beauty of the area.

The location in Torrenueva, close to La Alcaidesa and a short drive from Sotogrande and Gibraltar, makes this project particularly attractive. Here, you enjoy pristine beaches, the impressive Rock of Gibraltar, and the unique quality of light that makes the Costa del Sol so special. At the same time, you are perfectly connected to the main destinations along the coast.

An exceptional living environment where tranquility, the sea, and the landscape set the pace of everyday life, and where Mediterranean life is experienced in its purest form.

New holiday homes for sale. Modern apartments within walking distance of the beach.
