Costa Blanca, Finestrat

This exclusive new-build project offers a stylish selection of modern homes in one of the most sought-after locations on the Costa Blanca North. Surrounded by nature and with impressive views of the mountains and the Mediterranean Sea, you will enjoy peace, privacy, and a contemporary living experience here.

The homes are designed with great attention to light, space, and a fluid connection between indoor and outdoor spaces. Large windows and open living areas create a bright and comfortable interior that is fully in touch with the surroundings.

There is a choice between multi-level or single-level layouts, each featuring three bedrooms and two bathrooms. Every home features a private pool and outdoor space perfectly suited to the Mediterranean climate, making outdoor living an essential part of daily life.

Thanks to the elevated position, the quiet surroundings, and the proximity to the beach, golf, and amenities, this project is ideal for those looking for a second home or a permanent residence in the higher segment. A limited and exclusive opportunity for those who value design, comfort, and location.
