Costa de Almeria, Vera

Discover an exclusive new construction project on the beach of Vera Playa, where luxury, comfort, and a unique seaside location come together. This exceptional residential resort is one of the last opportunities to invest in a high-quality residential development directly on the Spanish coast.

The stylish one- or two-bedroom apartments are designed with modern architecture, focusing on natural light, open spaces, and Mediterranean outdoor living. Large terraces extend the living space and offer stunning views of the sea and the well-maintained communal areas. Depending on the type of home, you also enjoy additional outdoor space, such as a private patio with an optional jacuzzi or a spacious private solarium where you can enjoy the sun and the view in complete tranquility.

The resort is designed as an exclusive living environment where privacy and relaxation take center stage. The absolute highlight is the private beach, a unique feature that gives residents direct access to the beach of Vera Playa. This allows you to enjoy an exceptional beach experience in a safe and peaceful environment. In addition, the complex features two beautiful swimming pools, one of which is heated, allowing you to enjoy Almería's pleasant climate all year round. The exclusive Beach Club building forms the social heart of the project and offers a stylish combination of gastronomy, relaxation, and wellness. Residents have access to a gym, sauna, social club, business center, kids club, and a gaming room.

In addition to the apartments, the project includes a limited number of exclusive villas with private pools, contributing to the high-end and exclusive character of the residence.

Thanks to the excellent location, shops, restaurants, sports facilities, and recreational opportunities are within easy reach. The combination of direct access to the beach, high-quality amenities, and modern architecture makes this project a unique opportunity for both personal use and investment on the coast of Almería.

An exceptional living concept where beach, luxury, and quality of life come together in one of the most promising coastal locations in Southern Spain.
