Costa del Sol, Fuengirola

An exclusive new-build project with just 12 homes in Torreblanca (Fuengirola), a lively coastal town where Mediterranean life and a high quality of life go hand in hand. Here, you live in an environment where sea, sun, and comfort effortlessly reinforce each other, every single day.

The location is particularly attractive. You are situated in one of the best-connected areas of the Costa del Sol, with the train station just a few minutes away. You can reach Málaga Airport in about 20 minutes and the María Zambrano AVE station in about 30 minutes. Convenient for those who enjoy traveling but also like to get home quickly.

Fuengirola itself is known for its long beaches, well-maintained promenade, and pleasant climate with more than 300 days of sunshine per year. It is the kind of place where you spontaneously say "we're staying a little longer," and then actually do so.

The project is being developed in two phases. In the first phase, five homes are being offered, spread across four levels. Each home features spacious terraces, landscaped outdoor areas, and a private swimming pool, ensuring that outdoor living here is not an extra, but an integral part of your daily routine.

A small-scale and exclusive project in a prime location, where modern living and the relaxed atmosphere of the Costa del Sol complement each other perfectly.
