Costa del Sol, Torremolinos

Discover this exclusive boutique project featuring stylish one- or two-bedroom apartments, just a short walk from the beach. Choose from elegant apartments, spacious garden suites with a private pool or Jacuzzi, or spectacular penthouses with panoramic terraces and stunning views.

Every home is designed to fully enjoy the Mediterranean lifestyle. Thanks to large windows and generous terraces, indoor and outdoor spaces flow seamlessly into one another. This allows you to bring the sun, the light, and the delightful climate of the Costa del Sol inside every day.

The modern architecture catches the eye immediately. The iconic design is inspired by the Mediterranean pine and combines clean lines with high-quality materials and a timeless look.

The communal amenities also elevate living comfort. Relax by the pool, enjoy cozy barbecue evenings, unwind in the atmospheric chill-out area, or make use of the pet care zone for your furry friend. Here, it is all about comfortable living, socializing, and fully enjoying life under the Spanish sun.
