Costa del Sol, Mijas La Cala

This exclusive villa is located in the prestigious La Cala Golf, one of the most sought-after residential locations on the Costa del Sol. Here, you enjoy the best of both worlds: the tranquility of a green, natural environment combined with the vibrancy of Marbella, Fuengirola, and the beaches of La Cala de Mijas just a few minutes' drive away. The charming white mountain village of Mijas Pueblo is also nearby and is perfect for a pleasant day out.

La Cala Golf is known for its vast golf courses, impressive vistas, and relaxed lifestyle. The surroundings exude luxury without being excessive. Here, you live amidst greenery, surrounded by rolling hills and with a beautiful view towards the Mediterranean Sea. A place where peace, space, and nature take center stage every day.

The villa stands on a generous plot of 1,601 m² and offers no less than 485 m² of living space, spread over two floors. With four spacious bedrooms, four stylish bathrooms, and a guest toilet, there is more than enough room to live comfortably and entertain guests.

The architecture is modern, timeless, and thought out down to the smallest detail. Large open living spaces create a natural connection between the living room, dining room, and kitchen. This creates a wonderful sense of spaciousness where indoor and outdoor spaces flow seamlessly into one another.

Thanks to the impressive floor-to-ceiling windows, the home is bathed in natural light all day long. The view thus becomes an integral part of the interior and lends every room an open and relaxed atmosphere.

Enjoyment abounds outdoors as well. The spacious terraces form an extension of the living space and invite you to live outdoors all year round. Whether you choose an elaborate breakfast in the morning sun, a cozy barbecue with friends, or a glass of wine as the sun disappears behind the hills, this villa is designed to fully enjoy the Mediterranean lifestyle.

This is much more than a modern home. It is a place where luxury, comfort, and nature come together perfectly. A home where every day feels like a vacation.
