# Costa del Sol, Casares

Welcome to one of the most exclusive residential locations in Southern Europe. Here, everything revolves around tranquility, privacy, and an exceptional quality of life. Thanks to the prestigious five-star resort, a luxury hotel, and an award-winning golf course, this residential area has developed into a popular destination for international buyers seeking the best of the Costa del Sol.

The location is ideal. Situated between Marbella and Sotogrande, just minutes from the beaches of Casares Costa, you enjoy the tranquility of an exclusive living environment while the vibrancy of the Costa del Sol remains close at hand. Luxury marinas, renowned golf courses, excellent restaurants, and all daily amenities are within easy reach.

This impressive villa stands on a plot of no less than 2,820 m² and offers nearly 1,000 m² of living space, spread over three floors. With five spacious bedrooms, four bathrooms, a guest toilet, and a generous basement, there is plenty of room for family, friends, and ample relaxation. The architecture is modern and strikingly elegant. The home stretches out over the landscape, as it were, with long horizontal lines that further accentuate the beautiful vistas. Large terraces and generous outdoor spaces ensure that the interior and exterior flow seamlessly into one another.

Space is also central inside. Large living areas follow the natural daylight, creating a different atmosphere at every moment of the day. The enormous windows literally bring nature indoors and allow the view to take center stage time and again.

The infinity pool is undoubtedly one of the absolute highlights. The water seems to flow into the surrounding landscape, creating a harmonious whole between the villa and the horizon. A place where you not only cool off during hot summer days but also endlessly enjoy the tranquility and the spectacular surroundings.

This villa is designed for those who do not want to compromise. Contemporary architecture, high-quality finishes, and a unique location come together here in a home where luxury does not feel excessive, but rather a matter of course. An exceptional home and a sound investment in one of the most prestigious locations on the Costa del Sol.
