Costa del Sol, Sotogrande

This exclusive villa is located in Sotogrande, one of the most prestigious residential areas in Southern Europe. Here, tranquility, privacy, and security go hand in hand with a luxurious lifestyle. Surrounded by vast green spaces, beautiful golf courses, and panoramic views of the Mediterranean Sea, you enjoy an environment where quality of life is paramount every day.

Sotogrande is known worldwide for its exclusive character. Award-winning golf clubs, international polo grounds, a stylish marina, beach clubs, and excellent restaurants are all within easy reach. Yet, the atmosphere remains surprisingly peaceful. Here, you live far away from the hustle and bustle, without compromising on comfort or accessibility.

The villa is situated on a generous plot of 2,700 m² and offers 479 m² of living space, spread over two floors. With four spacious bedrooms, three bathrooms, and a guest toilet, there is more than enough room to live comfortably and entertain guests in luxury.

The architecture exudes simplicity and elegance. The home naturally follows the rolling landscape, allowing the interior and exterior to flow seamlessly into one another. Large glass panels not only bring in plenty of natural light but also ensure that the impressive view is always part of your interior.

The living space opens fully onto the spacious terraces and the spectacular floating infinity pool. This pool is literally the showpiece of the villa and seems to flow into the landscape. The result is a beautiful interplay between architecture, water, and nature that impresses every single day.

The design features clean lines and natural materials that perfectly complement the Mediterranean environment. Wooden pergolas give the outdoor spaces a warm feel and ensure that you can live comfortably outdoors all year round. Whether you are enjoying an elaborate dinner with friends or a quiet morning coffee, outdoor living is given ample space here.

Even the more private spaces on the ground floor remain constantly connected to the garden. Thanks to the large windows, daylight streams in abundantly, and contact with nature is maintained throughout. This gives the home a particularly open and relaxed feel. This villa is much more than a luxury home. It is a place where architecture, nature, and quality of life come together perfectly. An exceptional home for those seeking tranquility, privacy, and timeless elegance in one of the most exclusive locations on the Costa del Sol.
