Costa del Sol, Fuengirola

Imagine this. You open the curtains and look out over the Mediterranean Sea, while the tranquility of the mountains awaits behind you. At this unique location in Buena Vista, you do not have to choose between nature and the coast. Here, you enjoy both every day.

This exclusive boutique development consists of just four detached villas. Small-scale, private, and designed for those who love space, tranquility, and a modern lifestyle. Thanks to the elevated position, you enjoy panoramic views of the coastline and the green surroundings of Higuerón. A view that continues to surprise you every day.

The architecture is sleek and contemporary, with a strong focus on light and living comfort. Large windows bring the outside world in and ensure the home is bathed in natural daylight. Outside, you will find a private garden, a private swimming pool, and spacious sun terraces where Mediterranean life unfolds naturally. Breakfast in the morning sun, a refreshing dip in the afternoon, or enjoying a glass of wine as the sun slowly sets. Here, every day feels like a vacation.

Despite the quiet location, everything is surprisingly close by. The exclusive Higuerón Resort with sports and wellness facilities is located a short distance away, as are excellent restaurants, international schools, and all daily amenities. You can also reach Carvajal beach, the Fuengirola promenade, and charming Benalmádena within minutes. Furthermore, thanks to excellent transport links, you can quickly travel to Marbella, Málaga, or the airport.

The villas are offered fully finished and furnished, allowing you to immediately enjoy your new home under the Spanish sun without any worries. Whether you are looking for a permanent residence, a luxurious second home, or a sound investment, this project combines design, privacy, and a prime location in a way that is rarely offered.
