Costa de Almeria, Vera

Just one kilometer from the beach, this exclusive new construction project is rising in the popular Vera Playa. Here, you can enjoy the tranquility of the Costa de Almería, while the sea, lively beach bars, and all daily amenities are always close by. An ideal location for those looking for a second home, a permanent residence, or a smart investment under the Spanish sun.

The project consists of 146 modern apartments with two or three bedrooms and two stylish bathrooms. You can choose from a ground-floor apartment with a private garden, an apartment with a spacious terrace, or a penthouse with a generous private solarium. Thanks to the large windows and open layout, every home enjoys plenty of natural light and a pleasant sense of space. Furthermore, several apartments offer stunning sea views.

The finishings are also fully geared towards comfortable living. The kitchen is delivered fully equipped, the bathrooms are fully finished, and every apartment features electric shutters, preparation for air conditioning, a private parking space, and a storage unit.

The project offers all the facilities of a modern resort. Take a refreshing dip in one of the two communal swimming pools, relax in the beautifully landscaped gardens, or work out in the outdoor fitness area. Minigolf, pétanque, table tennis, and a playground for the children also ensure there is always something to do.

Vera Playa is known for its wide sandy beaches, clear seawater, and relaxed atmosphere. The charming port of Garrucha, atmospheric Mojácar, and various golf courses are located a short distance away. Furthermore, thanks to good transport links, you can easily reach the airports of Almería and Murcia.

Whether you dream of a seaside holiday home, a comfortable residence, or an investment with strong rental potential, this project offers everything to fully enjoy the Mediterranean lifestyle.
