Costa Calida, Los Alcazares

In a unique location in Los Alcázares, right on the prestigious La Serena Golf Course and just 700 meters from the beaches of the Mar Menor, this exclusive new development is rising. Here, you can enjoy the tranquility of the golf course, while the sea, the charming promenade, and the lively town center are always close by.

The project consists of 28 stylish apartments with two or three bedrooms and two modern bathrooms. Thanks to the well-thought-out architecture, large windows, and open living spaces, every home is bathed in natural light. Ground-floor and first-floor apartments feature spacious terraces, while the penthouses boast a generous private solarium including a summer kitchen. The ideal place to enjoy the Spanish sun all year round.

Everything has been thought of inside as well. The fully equipped kitchen features high-quality appliances, the bathrooms are finished to perfection, and thanks to the energy-efficient aerothermal system, you enjoy optimal living comfort. Furthermore, preparations have been made for ducted air conditioning, and each home features a private parking space and storage unit in the underground garage.

The beautifully landscaped communal garden with a large swimming pool forms the beating heart of the project. A delightful place to relax, cool off, or enjoy the Mediterranean outdoor lifestyle together.

The location is an absolute asset. The golf course is literally on the doorstep, while the beach, restaurants, shops, and all daily amenities are within walking or cycling distance. The airports of Murcia and Alicante are also easily accessible, making these apartments perfect as a permanent residence, second home, or investment with strong rental potential.

A unique opportunity to live in a location where golf, the sea, and Mediterranean life come together perfectly.
