Imagine: a life of unprecedented luxury in a spacious apartment with panoramic sea views. These exclusive homes not only offer space and style, but also a panoramic view of the azure horizon.

Choose from 3 to 4 spacious bedrooms and just as many luxurious bathrooms, spread over beautifully designed floors with only 2 homes per floor, making exclusivity the standard. Each home is perfectly designed with your well-being and comfort in mind.

This unique project consists of 7 blocks with a total of 56 exclusive homes, each with breathtaking sea views. The opulence extends to two communal swimming pools - for both adults and children, a gym, a co-working space, a gated community and underground parking.

Our project offers not just a house, but a luxurious home on top of the hill in the area known as Alborada. Here you will enjoy fantastic sunsets overlooking Africa and Gibraltar, making every day a scenic masterpiece. Don't miss the opportunity to own an apartment that represents not only a home, but also a life of luxury and beautiful views.
