Imagine: a beautiful villa where space, comfort and a touch of luxury come together. This villa embodies the essence of elegance and offers a haven of peace in a serene location, close to the sea.

Welcome to a home that welcomes you with open arms!

With no less than 5 generous bedrooms and 4 refined bathrooms, plus two floors, this villa is a masterpiece of spaciousness and comfort. The fully equipped kitchen and pantry are the beating heart of the house, where culinary creativity and togetherness come together.

A spacious garage and parking offer convenience and peace of mind for your vehicles and those of your guests. Enjoy the outdoors in the lush garden complete with several terraces where you can relax and enjoy the sunset.

Immerse yourself in luxury with a relaxing Jacuzzi and enjoy the freedom to take a refreshing dip in your own private pool. This villa is not just a house, but a lifestyle.

What really makes this property unique is the guest apartment. Whether for family members, friends or as a private retreat, this guest house adds an extra layer of flexibility and hospitality to your home.

Located in a quiet location close to the sea, this villa strikes the perfect balance between peace and proximity to amenities. It's an opportunity to enjoy the best of both worlds: space and tranquility without compromising on the convenience of the modern world.

If you're looking for a home that embraces you with space, luxury and harmony, look no further. This villa is waiting for you to discover its secrets and experience its warmth. Don't hesitate, because this exclusive opportunity is just one step away from reality.
