## Costa Blanca, Villajoyosa

Private residential complex consisting of holiday homes, apartments and duplex penthouses with 1, 2 and 3 bedrooms. Every detail has been taken into account in the design, making these homes unparalleled in luxury and comfort.

Located just 100 meters from the sea, the spacious rooms, filled with natural light, provide the ideal place to relax and enjoy the views of the large terraces. These newly built apartments, duplexes and penthouses are located right on the beach, next to Benidorm and Villajoyosa on the Costa Blanca in Alicante, Spain. The homes are built with first-class materials, including thermal insulation and Marazzi.

The elegant white residential towers have only six floors and are surrounded by extensive green areas. The homes offer spacious rooms ranging from one to three bedrooms. Discover this project and find your dream home surrounded by natural surroundings with gardens and recreational water facilities including outdoor swimming pools, jacuzzi and spa, gym and children's playground.

Enjoy large terraces and sea views, so you can enjoy the sunrise undisturbed. We recommend 'experiencing the Mediterranean life to the full', but in a very special way: without noise pollution, traffic and without the disadvantages of the crowds.
