Discover this exclusive, small-scale residence featuring just 8 detached villas, located on the second line of the prestigious La Finca Golf Resort in Algorfa. Here, you live in peace and privacy, surrounded by nature and beautiful golf landscapes, while amenities, beaches, and recreational opportunities are within easy reach.

The villas are designed entirely on a single level and combine modern architecture with Mediterranean charm. Thanks to the L-shaped layout, the living spaces and bedrooms are naturally separated. Large windows provide plenty of light and a beautiful connection to the outdoor space.

Each villa features 3 spacious bedrooms and 2 modern bathrooms and stands on a generous plot of over 400 m². Outside, you can enjoy a private pool, a beautifully landscaped garden with automatic irrigation, on-site parking, and a large private solarium where you can enjoy the Spanish sun all year round.

Comfort and quality have also been prioritized for the interior. The homes feature an aerothermal hot water system, pre-installation for ducted air conditioning, home automation, aluminium windows with electric shutters, and a fully equipped kitchen with appliances. The bathrooms are fitted with bathroom furniture, shower enclosures, and underfloor heating.

Located next to La Finca Golf, the site offers a relaxed lifestyle with golf, sports, and nature right in the vicinity. The beaches of Guardamar del Segura are approximately 12.5 kilometers away, and Torrevieja and Orihuela Costa are also easily accessible. Alicante Airport is located approximately 32 kilometers away.
