Costa de Almeria, San Juan de los Terreros

You dream of a modern, spacious holiday villa with extra-high ceilings, where light and space take center stage. A place where you enjoy luxury, but without worries. No pool maintenance required, as you make use of a beautiful communal landscape pool—the best of both worlds.

And the location? It is simply top-notch. The sea lies just 500 meters from your street. A short walk and you are standing with your feet in the sand.

Comfort has also been considered. You can effortlessly drive your car into your own enclosed garage, underground beneath your villa. Up the stairs... and you are home.

Then this is truly something for you.

Why choose San Juan de los Terreros?

San Juan de los Terreros is a charming, typical Spanish fishing village where authenticity still takes center stage. You will find cozy restaurants where the locals eat, atmospheric bars, and nice shops. It is the perfect place for those who want to combine peace, sun, and beach with comfort and the authentic Spanish lifestyle. You can walk right to the beach and enjoy the sea and sun, far away from the hustle and bustle. Everything you need is close by, in a relaxed and warm atmosphere.

Here, you live to the rhythm of Spain.
