Costa Blanca, Pinoso

Do you dream of a modern villa with plenty of space, tranquility, and privacy? This newly built villa in Pinoso is situated amidst almond trees, olive trees, and vineyards, and boasts an impressive plot of no less than 10,000 m².

The villa is designed with a practical layout and a strong focus on outdoor living. You have 3 bedrooms, 2 bathrooms, and a spacious open kitchen that flows beautifully into the living area. Surrounding the house are spacious terraces, a private swimming pool, and ample space to park multiple cars.

A major advantage of this project is the ability to further equip the villa according to your own wishes. There is a choice between a standard version and a more luxurious configuration. For instance, you can opt for an automatic entrance gate, electric shutters, full air conditioning, additional solar panels, and a kitchen with an island.

The luxury version includes, among other things, 6 solar panels instead of 4, electric shutters, and an automatic gate. This way, you can make the home not only more comfortable but also more energy-efficient and practical.

Outside, one thing in particular stands out: space. With a plot of 10,000 m², you have complete freedom to fully enjoy the Spanish outdoor lifestyle. Moreover, the spacious terraces and private swimming pool make it a wonderful place to spend long summer days.

The location in Pinoso is quiet and rural, surrounded by the characteristic landscape of the region. Here you enjoy privacy and nature, while still having a home that is being built completely new and to modern standards.
