Discover this modern residential project in an excellent location in Torrevieja, just 250 meters from the sea. Here, you live within walking distance of the beach, while the lively city center, shops, restaurants, and all daily amenities are also close by. An ideal combination of seaside relaxation and the convenience of having everything within reach.

The residence is located in a recently developed residential zone and offers a contemporary look with fresh, minimalist architecture. The project was designed for those who love comfort, light, and a carefree Mediterranean lifestyle. Whether you are looking for a permanent home, a second residence, or an interesting investment, this location has it all.

There is a choice of ground-floor apartments with a private garden or penthouses with a spacious solarium where you can enjoy the sun in complete privacy. The homes feature two bedrooms, two bathrooms, and a practical living space with a fitted kitchen that connects beautifully to the terrace. Large windows ensure pleasant natural light and enhance the sense of space. The communal facilities also contribute to the living comfort. The well-maintained garden, together with the swimming pool, forms a wonderful place to relax, while the fitness room ensures that you can stay active during your stay. Everything is available to experience a bit of a holiday feeling every day.

The location makes this project particularly attractive. The Torrevieja marina, the general hospital, and numerous shops, cafes, and restaurants are located in the immediate vicinity. As a result, you enjoy not only the proximity to the sea but also a lively and practical living environment that is bustling all year round.

A contemporary residential project where beach, city, and comfort come together. Here, the day begins with a walk to the sea and ends with a drink on your terrace under the Spanish evening sun.
