Tenerife, El Médano

Experience the gentle sea breeze caressing your face as you watch the majestic spectacle of the rising sun, drenching the sky in golden hues. Stroll through picturesque streets and breathe in the fresh air listening to the soft murmur of the waves, while enjoying the refined local cuisine with its variety of flavors and fresh products.

Dive into the waters of the Atlantic Ocean while the sun caresses your skin. Living in El Médano means enjoying everyday life in a unique environment.

El Médano's exceptional location allows easy access to other destinations and points of interest in Tenerife. In just 10 minutes you can reach Tenerife South Airport and other locations on the island, giving you the chance to fully explore this area and enjoy all the beauty it has to offer.

This project offers you a private urbanization consisting of 52 two and three bedroom terraced houses, specially designed for you, with a communal swimming pool and gardens in both the communal areas and the ground floor apartments.

Your new home also has optional parking and a storage room (price extra to be charged from 4,500 euros) to store your surfboards and anything you don't use every day. For your maximum convenience, the complex has smart mailboxes where you can pick up your online orders when it suits you best.

The urbanization has carefully designed pedestrian entrances integrated into the architecture and for total security will also install a video access control system from the street.

This versatility makes this the perfect development option for anyone, whether you are looking for a holiday home, an investment opportunity or a permanent residence.
