Discover our new semi-detached houses in a picturesque village in Mallorca!

This project includes 10 semi-detached houses, built in the most authentic Mallorcan style. Each house has 3 bedrooms, 2 bathrooms (1 en-suite) and a guest toilet. In addition to an integrated kitchen, the homes also have a spacious living-dining room that opens onto the terrace. As a result, the layout on the ground floor ensures maximum light and a feeling of spaciousness.

All properties have large south-west facing terraces and private gardens with a swimming pool. They also have a storage room and two above-ground parking spaces.

Built to strict quality standards. These traditional Majorcan homes not only offer numerous details for maximum comfort, in accordance with the latest European construction quality standards, but also guarantee thermal insulation and the highest level of sound insulation between the properties.

In addition, your new home is equipped with designer brands and finishes of the highest level.
