This villa, which has been completely renovated, offers an unrivaled combination of tranquility, privacy and spectacular views over the famous Calpe Rock and the dazzling Mediterranean Sea.

The villa is ingeniously constructed of three completely independent floors. Each floor has its own private entrance to the grounds and a separate entrance to the house itself. The first floor enchants with a generous living room, a dining room, an extensive fully equipped kitchen, two bedrooms and a bathroom. The second floor again houses a spacious living-dining room, a semi-open kitchen, two double bedrooms, a bathroom and a delightful naya. Sea view extends from every floor, like a stunning work of art that embraces nature and the sea.
