Costa Blanca, El Campello

Discover an exclusive new construction project in a unique location, right on the beach of Playa del Amerador in El Campello. Here, you wake up every day to the sound of the sea and enjoy a panoramic view of the Mediterranean. This small-scale residence combines modern architecture, luxury finishes, and an exceptional location on one of the most beautiful beaches of the Costa Blanca.

The project consists of 30 stylish holiday homes, designed with great attention to light, space, and living comfort. The homes feature three spacious bedrooms, two or three modern bathrooms, a guest toilet, and an open-plan living area with a fully equipped kitchen. Large sliding windows connect the living room to the private terrace and garden, allowing the indoors and outdoors to flow seamlessly into one another.

On the top floor, a spacious private solarium awaits where you can enjoy the Spanish sun all year round. Furthermore, provisions have been made here for a jacuzzi and an outdoor kitchen, allowing you to furnish your own rooftop terrace exactly to your liking. Some homes offer a frontal sea view, while others enjoy a beautiful side view of the sea. Furthermore, a number of homes feature a spacious basement level that can be perfectly furnished as a gym, home cinema, hobby room, or extra living space.

Everything has also been thought of in terms of finishing. The homes are equipped with a fully fitted kitchen including appliances, ducted air conditioning, an energy-efficient aerothermal system for hot water, stylish bathrooms, and a secure entrance door. Each home also features a private parking space and storage unit.

The communal facilities elevate living comfort to a higher level. Relax by the infinity pool with a saltwater system and sea view, enjoy the heated jacuzzi, or unwind completely on the sun terrace. Additionally, the project features an outdoor fitness area, a pickleball and multi-sports court, beautifully landscaped gardens, walking paths, a Zen viewpoint, and a modern parcel delivery system.

The location is undoubtedly one of the greatest assets. The beach is literally on your doorstep, while the charming marina of El Campello, numerous restaurants, shops, and golf courses are located a short distance away. Alicante, Villajoyosa, Benidorm, and Alicante International Airport are also easily accessible.

Whether you are looking for an exclusive permanent residence, a luxurious second home, or a valuable investment by the sea, these properties offer a unique combination of design, comfort, and an unparalleled location on the Mediterranean.
