Costa del Sol, Mijas La Cala

This exclusive new-build project in the popular La Cala de Mijas combines modern architecture, tranquility, and exceptional living quality in a prime location on the Costa del Sol. Situated in a gated residence, you enjoy privacy, security, and stunning views of the sea and the surrounding nature.

The project consists of stylish apartments with one, two, or three bedrooms. Thanks to the sleek architecture, large windows, and open living spaces, every home is bathed in natural light, and the indoor and outdoor spaces flow seamlessly into one another.

The fully equipped open kitchens combine a contemporary design with high-quality materials and connect perfectly to the spacious living area. The generous terraces form an extension of the home and offer the ideal place to relax, dine outdoors, or enjoy the mild Mediterranean evenings.

The communal facilities are also designed to make daily life even more pleasant. Beautifully landscaped gardens and exclusive facilities create a stylish and relaxed living environment where comfort, nature, and the Mediterranean lifestyle take center stage.
